SAFETY AND HOUSEKEEPING CONCERNS:

- All wood tables in the off-hand / pistol area are to be at the firing line only. No tables are to be set back off the firing line. This is to avoid sweeping the line with firearms. The only tables to be behind the orange line are the ones behind the concrete benches!
- TVA Security is making random stops. Have your current membership and gate card with you. No loaded firearms when entering the TVA property or bringing firearms to the range. Read the Safety Rules, we are a cold range!
- We are required to **wear our membership cards** while at the range.
- **EMERGENCY PHONE NUMBERS POSTED AT THE RANGE:** TVA, Ron, and Butch need to be called immediately.
- When the range is "cold", **do not handle firearms, stay behind the orange line** while the range is cold.
- **NO STEEL CORE BULLETS FIRED AT THE GONGS. BIANCHI PISTOL PLATES ARE SHOT AT 25 YARDS ONLY.**
- You are responsible for your guest's actions: **Guests must read the Safety Rules** before shooting.

GALLATIN GUN CLUB, INC. SAFETY RULES

The rifle/pistol range is for GGC members, their immediate family (same household), and guests. Limit 2 guests per day. Each guest is limited to two visits per year. You are responsible for your guest's actions. Guests must read the Safety Rules before shooting. Range is open during daylight hours only.

The first person on the range shall assume the duty of Range Officer (RO) until the RO, a Board Member, or the Chairman presiding over the match is present. Membership and TVA cards shall be worn at all times while on TVA property.

This is a COLD RANGE. All firearms shall be unloaded until they are on the line and all shooters acknowledge the range is "HOT". All firearms carried to and from the shooting area shall be either cased, holstered, or with the action open.

All firearms shall be pointed downrange or in the gun racks while in the shooting area. The action of firearms must be open when not in use.

EYE AND EAR PROTECTION ARE REQUIRED FOR ALL SHOOTERS AND NON-SHOOTERS while using the range.

The range is divided into Bench Rest (left half: concrete benches) and Pistol/Off-hand/Prone (right half: wood benches). Keep all pistols pointing down range when on the wood benches. The firing line is the front post line of the shed.

Members shall "CLEAR" the firing line with ALL shooters before going downrange. ALL FIRING STOPS, ACTIONS MUST BE OPEN and FIREARMS SHALL NOT BE HANDLED, including setting up and packing up to leave. Please note: Any member not going down range must step back behind the orange painted line and remain there until the range returns to "HOT". After ALL shooters return from downrange, they shall acknowledge with ALL shooters present that the range is "HOT" before firing can continue.

The range has 25, 50 100, 200, and 300yd berms. No targets are permitted past 300 yds.

Members are responsible for bringing their own target stands and targets for practice. Do not use rocks or blocks to hold down target frames. Metal targets shall not be shot any closer than 100 yds. (Exceptions: 22 rimfire spinners and targets during a sanctioned match may be placed as close as 25 yds.) Police your targets, bowling pens, brass, boxes, etc. before leaving the range. Do not shoot bottles, rocks, blocks etc. Keep the range clean for mowing and the use of others. Please empty trash cans in the dumpster.

The Bianchi Plates are for all members. They are for HANDGUNS ONLY. NO RIFLES (or rifle conversions), NO SHOTGUNS, and NO MAGNUM handgun rounds. Plates shall not be shot any closer than 25 yds and must be shot directly in front of the plates, not at an angle. EYE PROTECTION IS IMPORTANT because we do have ricochets and lead splatter coming back to the shed area.

No fully automatic weapons or "bump-firing" allowed. No tracers or any other incendiaries are allowed because of the risk of fire.

No armor piercing rounds or steel core rounds (LAP) allowed shooting steel plates (gongs). It is the member's responsibility to make sure their rounds are not damaging the steel plates or causing a fire hazard. Maximum cartridge is 338 Win mag. Members are required to pay for damaged plates if shot with AP rounds or cartridges exceeding the maximum.

Be aware of deer, turkey, and other animals on the range and ceasefire when they are present. The range property is managed by TWRA.
