Tickets are \$30, contact Monte Green 587-0581 or purchase on the web friendsofnra.org. Youth program fundraiser.

Friends of NRA banquets boil down to one goal— fund-raising for the future of the shooting sports. Since its inception in 1992, *Friends of NRA* has held over 15,000 events, reached over 2.8 million attendees and raised over \$200 million. Each year, The NRA Foundation allocates half of all net proceeds to fund projects within the state in which the money was raised and uses the other half to fund similar projects with a national scope.

Safety and Range etiquette: recent complaints and problems at the range:

1. Do not handle firearms while the range is cold. This includes setting up and packing up to leave.
2. Bianchi Plates: No rifles, shotguns or magnum handgun rounds.
3. Keep your line of fire down in the berms. You can see our extended landing zone on Google earth by pulling up 1499 Steam Plant Rd. You can see the gun club and the area a bullet would travel if not stopped by the berms.
4. Do not sweep the firing line, example drawing your pistol with your back to the target and turning to fire.
5. No Bump firing, Slide stocks, or fully automatic firing at the range, per TVA.

GALLATIN GUN CLUB, INC. SAFETY RULES

The rifle/pistol range is for GGC members, their immediate family (same household), and guests only. Each guest is limited to two visits per year. Range is open during daylight hours only.

The first person on the range shall assume the duty of Range Officer (RO) until the RO, a Board Member, or the Chairman presiding over the match is present. Membership and TVA cards shall be worn at all times while on TVA property.

This is a COLD RANGE. All firearms shall be unloaded until they are on the line and all shooters acknowledge the range is "HOT". All firearms carried to and from the shooting area shall be either cased, holstered, or with the action open.

All firearms shall be pointed downrange or in the gun racks while in the shooting area. The action of firearms must be open when not in use.

EYE AND EAR PROTECTION ARE REQUIRED FOR ALL SHOOTERS AND NON-SHOOTERS while using the range.

The range is divided into Bench rest (left half: concrete benches) and Off-hand/prone (right half: gravel area). ALL wood benches in the bench rest and off-hand/prone areas are for GEAR ONLY. DO NOT SHOOT OFF THE WOOD BENCHES. All muzzles must be in line with the front posts of the rifle/pistol shed when shooting.

Members shall "CLEAR" the firing line with ALL shooters before going downrange. ALL FIRING STOPS, ACTIONS MUST BE OPEN and FIREARMS SHALL NOT BE HANDLED, including setting up and packing up to leave. After ALL shooters return from downrange, they shall acknowledge with ALL shooters present that the range is "HOT" before firing can continue.

The range has 25, 50 100, 200, and 300yd berms. No targets are permitted past 300 yds.

Members are responsible for bringing their own target stands and targets for practice. Do not use rocks or blocks to hold down target frames. Metal targets shall not be shot any closer than 100 yds. (Exceptions: 22 rimfire spinners and targets during a sanctioned match may be placed as close as 25 yds.) Police your targets, bowling pens, brass, boxes, etc. before leaving the range. Do not shoot bottles, rocks, blocks etc. Keep the range clean for mowing and the use of others. Please empty trash cans in the dumpster.

The Bianchi Plates are for all members. They are for HANDGUNS ONLY. NO RIFLES (or rifle conversions), NO SHOTGUNS, and NO MAGNUM handgun rounds. Plates shall not be shot any closer than 25 yds. and must be shot directly in front of the plates, not at an angle. EYE PROTECTION IS IMPORTANT because we do have ricochets and lead splatter coming back to the shed area.

No fully automatic weapons or "bump-firing" allowed. No tracers or any other incendiaries are allowed because of the risk of fire.

No armor piercing rounds or steel core rounds allowed shooting steel plates (gongs). It is the member's responsibility to make sure their rounds are not damaging the steel plates. Maximum cartridge is 338 Win mag. Members are required to pay for damaged plates if shot with AP rounds or cartridges exceeding the maximum.

Be aware of deer, turkey, and other animals on the range and ceasefire when they are present. The range property is managed by TWRA.

The TVA range across the gravel access road is off limits. DO NOT TRESPASS.

VIOLATION OF RANGE SAFETY RULES MAY RESULT IN SUSPENSION OR TERMINATION OF MEMBERSHIP
