## TVA Security Increased

Due to the events on September 11, 2001, TVA Security has been increased. We are currently working with TVA to assure their security and have access to the Club for our members. Please watch future Newsletters for more information!

**All Members of the Gallatin Gun Club must follow the following guidelines:**

- 1. The Club may be used during daylight hours only. TVA is checking the times gate cards used to enter the Club.**
- 2. TVA gate cards may not be loaned to anyone, including family members. The member to whom the gate card is issued is the only authorized person to use it.**

**3. Any lost, stolen, or damaged card must be reported to the Club Secretary immediately.**

**4. Member's address and phone numbers must be current. Inform the Club Secretary of address or phone # changes ASAP. We have agreed with TVA to keep a current Club Roster identifying members. Newsletters or other correspondence returned undeliverable will be followed up by a phone call. If the member has not supplied a working phone number, their gate card will be deactivated.**

**Members not following the guidelines will have their gate cards deactivated and are subject to membership cancellation.**

**We appreciate your cooperation. We all must do our part to continue the good relationship we have enjoyed with TVA over the years, especially during the current circumstances.**

**Possible other changes in the near future:**

1. TVA guards at the gate. Members will show a picture I.D. The I.D. information must match the Club Roster information checked by the guard.

2. Members required to wear a membership card while attending the Club.
